Sir,

Re - Laying sewer lines to the New Kalasipalyam Extension, Bangalore City

I have the honour to invite kind reference to this office letter No G 195 dated 27-9-1948 forwarding the original tender of Messrs M Coomaraswamy Pillay and Co , in connection with the work of laying underground sewer lines to the layout of New Kalasipalyam Extension for kind approval and to state that no final orders of Government are yet received in this behalf

2 The work under reference is being pushed through, due to extreme urgency, pending sanction of Government for the acceptance of the tender of M/s M Coomaraswamy Pillay and Co

3 In this connection, I may say that the work under reference has to be completed before the rainy season, as otherwise there will be a lot of water trouble due to the sub soil water and also being very high in the area Further, the Municipal Commissioner has requested that the work should be completed early to enable the purchasers of sites to have all amenities before they complete the construction of houses in this area

4 I therefore request that early orders of Government may be obtained and communicated to enable me to arrange for the completion of the work early

Dear Sri Ramachandra Rao,

With reference to your D O letter No L 10100 dated 15-3-49 requesting me to intimate how the further sum of Rs 684/- required would be met in connection with the work of laying underground sewer line s to the New Kalasipalyam Extension in view of the Municipality having agreed to pay only Rs 3,416/- towards the additional expenditure of Rs 4,100/- over the sanctioned estimate of 45,600/-, I write to state that ~~there~~ this is a Municipal contribution work and the entire cost of the estimate as revised has to be met out by the Bangalore City Municipality and the Municipal Commissioner, Bangalore City Municipality has been requested to place the additional funds over the original estimated cost of Rs 45,600/- sanctioned by Government in their order No L 2240-3/Ll 64-48-2 dated 4-9-48

In this connection, I may add that it is stated in my letter No G 195 dated 27-9-48 that the tender of M/s L Coomaraswamy Pillai & Co , would cost Rs 41,416/- against the sanctioned provision of Rs 38,000/- towards work portion only This does not mean that the Municipality have to pay only Rs 3,416/- but they have to pay the additional amount of Rs 684/- worked out towards the increase of provisions made in the original estimate on account of Temporary establishment and Tools and Plant charges (Contingencies & Establishment) on the basis of increased amount of provision towards works portion as per ~~rates~~ rules

I hope this will facilitate you in getting the estimate sanctioned by Government at an early date
